

Proven Results – 100% Satisfaction

Mannix Marketing has been helping companies succeed in the ever-changing internet world for over fifteen years. With a philosophy based upon old-fashioned hard work in a cutting-edge market, the staff and professionals at Mannix Marketing are committed to the success of each and every client. Our business is all about developing long-term relationships, proven by our amazing client retention rate of over 99.5%!

- **Experience:** With years of experience and proven success in the ever-changing online marketplace – Mannix Marketing ensures customizable strategies to generate sales & leads for your business.
- **Proven Success:** The goal of the professionals at Mannix Marketing is to build and develop a long lasting relationship with your business. With thousands of clients and a 99.5% client retention rate, Mannix Marketing has a proven track record! Time tested methods from Internet marketing professionals have proven to continually improve overall results of your website.
- **Quality Assurance:** Individualized, personalized and attentive to your needs ... that's the Mannix Marketing promise.
- **Strategic Approach:** Our highly experienced and trained professionals know what drives traffic to convert to sales. From website design to local online advertising to logo creation to custom web applications to search engine optimization packages, everything Mannix Marketing does is done with a strategic goal and vision to make your company's marketing initiative successful.
- **Ahead of the Curve:** Mannix Marketing strongly believes in continuing education. We keep our pulse on the latest updates, improvements and changes in Internet Marketing, Social Media, Mobile Marketing, Graphic Web Design and Programming to ensure our clients are prepared for the "Next Big Thing."
- **Full Service Marketing Company:** Our team of programmers, developers, designers and search engine marketing experts work together to look at all aspects of your online presence including your website and social networks, from the design concept stage to customizing an Internet Marketing program focused on getting you found and improving your conversions.
